

PLAYING SIC BO DYNASTY

Our dealers are broadcasting to you live from Fallsview Casino Resort.

Sic Bo is a table game played with three identical six-sided dice marked with a number from one to six of each face. After players place bets on various outcomes, the dealer will electronically shake the dice shaker and will reveal the outcome of the three dice. Players are then paid for all winning outcome bets.

PLACING YOUR BETS:

- Insert currency or tickets to receive credits.
- Before the game begins, the player must put up a bet. Select the desired denomination from the chip set on the screen and touch any available bet position on the table layout.
- Increase any bet by touching the bet location again or by touching a higher value in the chip set. To remove bets one at a time, press the "Undo" button.
- To repeat the same bets as your previous game, press the "Repeat Bet" button.

TYPES OF BETS:

- All traditional Sic Bo bets are available and additional information can be found on the player screen. Odds are determined by each type of placed bet. Examples include:

A bet placed on Big (dice total between 11 and 17) or Small (dice total between 4 and 17) pays 1:1

A bet placed on Any Triple pay 30:1

A bet placed on any Three Dice Total will range from 6:1 to 62:1

TIP YOUR DEALER

- To tip your dealer, touch the "Tip" button on the bottom left hand of the screen and select the chip amount, then press "Confirm" to send the tip to the dealer.

TRACKING TRENDS

- Trend information can be found at the top of the player screen and includes dice outcome and frequency of various numbers
