

DIRECTIONAL SIGNAGE

To get your guests where they need to be we offer T-Stands signage in 4 key locations within the Galleria (public area). We do not permit the use of Easels outside of the Grand Hall. Each group can choose a customized insert to fit the stand with their conference branding OR we can provide signage for you (no cost). All that is required from you is a High Res image of your Company or Conference Logo

T-Stand Property Signage Dimensions: Trim size 22" w x 28"h, Live Area (no graphics or words beyond this) dimension: 19.5"w x 25.5"h (centered on Trim Size).

•Board Material should be approximately 1/8" in thickness and at this size can accommodate 2 signs in the holder for a double-sided sign.
