
RODNEY ATKINS BRINGS HIS COUNTRY ROOTS TO FALLSVIEW

(Niagara Falls, ON) January 28, 2020 – One of country music’s biggest stars Rodney Atkins, brings his country roots to Fallsview for a night of authentic music and southern charm.

Originally from Tennessee, this country music artist is always creating songs from the ground up. Pulling inspiration from his family roots and real life experiences, he’s carefully mastered the art of storytelling. With six No.1 hits and more than 13 million units sold, Atkins is more invested than ever in making honest, authentic records that tell a story and showcase his unique place in the world. More than two decades in the industry, every live performance by Atkins promises to take each audience member through his journey of life, family and love.

Recently releasing his fifth studio album, *Caught Up in the Country*, it is evident Atkins is an artist who is confident enough to know that making the very best music requires patience and experimentation. Most of this album was created from his home studio in the hills of Nashville, with many of the songs about weaknesses and joys, watching children grow and letting go.

Don’t miss your chance to see Rodney Atkins live, March 18. This show will bring true country grit to Fallsview, with Atkins performing hits such as *Watching You*, *Take a Back Road*, and *These Are My People*.

“Another great performer has announced a show date at Fallsview,” said Cathy Price, vice president of marketing at Niagara Casinos. “For country fans, this will be a night of incredible singing and songwriting by a legendary country star, Rodney Atkins.”
