
FALLSVIEW CASINO RESORT ANNOUNCES A SIZZLING SPRING LINEUP AT NEW ENTERTAINMENT CENTRE

(Niagara Falls, ON) February 18, 2020 – Fallsview Casino Resort is excited to announce a sizzling spring lineup at the brand new state-of-the-art Entertainment Centre. From Kesha to REO Speedwagon, the hottest entertainment is coming to Niagara.

The new 5,000 seat state-of-the-art Entertainment Centre will be operated by Niagara Fallsview Casino Resort and Mohegan Gaming & Entertainment. This new theatre space allows Fallsview Casino Resort to offer more than 300 shows per year in conjunction with the Avalon Theatre. With no seat over 150 feet from the stage, Fallsview continues to offer incredible entertainment with an intimate atmosphere.

"This spring brings incredible acts to Fallsview Casino's Entertainment Centre. From country artists Brad Paisley and Dierks Bentley, comedian Larry the Cable Guy, classic rockers ZZ Top with special guest Cheap Trick to pop artist Kesha and many more, this lineup brings something for everyone," says Richard Taylor, president of Niagara Casinos.

Construction on this theatre began in the fall of 2017, with the goal of making Niagara Falls the entertainment destination of choice. With the finishing touches almost complete, this long awaited Entertainment Centre will host the first performers this April. The Entertainment Centre is an all ages venue* located in the Fallsview Tourist district directly across from Fallsview Casino Resort and is easily accessible by an indoor walkway.

"Our new theatre is a welcomed addition to our portfolio of world-class venues and will be the Canadian home for top name artists and events. As one of the leading producers of live entertainment today, MGE is excited to export what we do best, including a powerhouse lineup starting in April", Tom Cantone President of MGE Entertainment Worldwide. Selected by Ontario Lottery and Gaming (OLG) last year, Mohegan Gaming & Entertainment has been operating in Niagara since June 2019. With more than two decades of experience creating incredible entertainment destinations, MGE focuses on developing the ultimate customer experience.

Collaborating with the OLG, Mohegan Gaming & Entertainment, Niagara Casinos and various stakeholders, this was truly a community effort that will bring energy and excitement to downtown Niagara Falls. "This will be a world-class facility that performers will want to perform at and audiences will want to experience", says Jim Diodati, Mayor, City of Niagara Falls. "With superior sound, sightlines and designs to make the experience memorable, we anticipate more than 1 million additional visitors to our city to see acts and performances here. This means more good jobs are coming to our community, and that restaurants and attractions will be busier as well. To say we are excited would be an understatement!"

"For decades, the partnership between the OLG and Niagara Casinos has been collaborative and innovative. Joining forces with Mohegan Gaming & Entertainment continues to take the entertainment industry to the next level in Niagara" says Lori Sullivan, OLG's Chief Operating Officer. "There is a wealth of knowledge within these partnerships, and we look forward to the new Entertainment Centre seeing great success."
