St. Catharines resident wins \$1 Million jackpot at Fallsview Casino Resort

(Niagara Falls, ON) – A St. Catharines resident is thrilled to be the newest member of the Millionaire’s club following a big win at Fallsview Casino Resort.

Jennifer Carter won a \$1,073,904.69 jackpot at Fallsview Casino late Thursday, March 10, after the reels aligned in perfect unison on the *Titanic™ Mighty Millionaire™* progressive slot game. Ms. Carter, aged 44, had played 27 spins over approximately three minutes.

Mighty Millionaire™ is a linked network of slot machines that can be played for a chance to win at various OLG gaming sites across the province. The jackpot starts at \$1 million, and keeps climbing until someone spins a winning combination, which can be awarded at any property. The counters are immediately reset to \$1 million at all the properties whenever the top prize is awarded.

Fallsview Casino Resort was the first casino in Ontario to launch the *Mighty Millionaire™* progressive.

“This is what dreams are made of and we’re happy to celebrate this exciting jackpot with Ms. Carter,” said Art Frank, President of Fallsview Casino and Casino Niagara. “We’re always trying to provide exceptional experiences for our customers and obviously this one ranks up there among the best.”

The largest slot jackpot in Canadian history hit at Fallsview Casino in October 2004 totaling nearly \$5.8 million.
