- The Tournament runs for one (1) day. The Tournament will have two (2) rounds, each round with four (4) sessions. Each session will be fifteen (15) minutes in duration with four hundred twenty (420) credits on the credit meter. If a machine cannot be repaired in a reasonable time, the Player will be moved to an alternate machine. Winners who are not present will have ninety (90) days to claim their cash prize at any Cage at Fallsview Casino Resort, or that prize will be forfeited. - In the event of a tie between two (2) or more Players with a same score within the Tournament prize structure, the top cash prize for that score and the subsequent prize(s) (depending on the number of tied scores) will be split equally between the Players involved. The next prize available (not involved in the tying process) will be given to the Player with the next highest score. The actual monetary value of prizes paid per place of finish is directly dependent on the number of Players with the same score, if any.
- In the event that an individual, including but not limited to an Excluded Individual, has been declared a winner but then subsequently disqualified, all declared winners that ranked below the disqualified individual will move up in the ranking of winners accordingly.
- Any dispute that may arise during Tournament play will be submitted immediately to the Tournament Official, whose decision will be final.
